Details of the business to be conducted are described in the Notice of Internet Availability of Proxy Materials you received in the mail and in this Proxy Statement. We have also provided with this Proxy Statement a copy of our 2018 Annual Report on Form 10-K and our most recent quarterly Form 10-Q for the six months of 2019. We encourage you to read our reports that include our audited financial statements and provide information about our business and products.

Besides the Proxy Statement and the 2018 Annual Report, you might also review our recent press releases, which demonstrate the exciting year we have had in 2019. Among our many accomplishments:

We have elected to provide access to our proxy materials over the internet under the Securities and Exchange Commission's "notice and access" rules. Our management is constantly focused on improving the ways people connect with information and believes that providing our proxy materials over the internet increases the ability of our stockholders to connect with the information they need, while reducing the environmental impact of our 2019 Annual Meeting. If you want more information about the 2019 Annual Meeting, please see the Questions and Answers section of the Proxy Statement under the heading General Information or visit the Meeting of Stockholders section of our Investor Relations website, www.cuiglobal.com.

General Information about the Annual Meeting

Q: Why am I receiving these materials?

A: Our board of directors has made these materials available to you on the internet or, upon your request, delivered printed proxy materials to you, in connection with the solicitation of proxies for use at the CUI Global Annual Meeting of Stockholders, which will take place at 9:00 am CST on Tuesday, December 3, 2019, at Orbital Gas Systems, North America, 1924 Aldine Western, Houston, Texas 77038. As a stockholder, you are invited to attend the Annual Meeting and you are requested to vote on the items of business described in this Proxy Statement.

Q: What information is contained in this Proxy Statement?

A: The information in this Proxy Statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation award process of our directors and most highly paid executive officers, a description of our CUI 2019 Incentive Award Plan, corporate governance and information on our board of directors and certain other required information.

Q: Why did I receive a notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the Securities and Exchange Commission (the "SEC"), we may furnish proxy materials, including this Proxy Statement and our 2018 Annual Report on Form 10-K and Form 10-Q for the first six months of 2019, to our stockholders by providing access to such documents on the internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice, which was mailed to most of our stockholders, will instruct you as to how you may access and review all the proxy materials on the internet. The Notice also instructs you as to how you may submit your proxy on the internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions in the Notice for requesting such materials.

Q: I share an address with another stockholder and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

A: We have adopted a procedure called "householding," which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, the proxy materials and the Annual Report to Stockholders to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces environmental impact as well as our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written request, we will promptly deliver a separate copy of the Notice and, if applicable, the proxy materials and the Annual Report to Stockholders to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy of the Notice and, if applicable, these proxy materials or the 2018 Annual Report on Form 10-K and the Form 10-Q for the first six months of 2019, stockholders may telephone, write or email us as follows: (503) 612-2300; CUI Global, Inc., 20050 SW 112th Avenue, Tualatin, Oregon 97062; investors@cuiglobal.com.

Stockholders who hold shares in street name (as described below) may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

Q: How do I get electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

- View our proxy materials for the Annual Meeting on our internet website, www.cuiglobal.com and
- Instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact on the environment of printing and mailing these materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Q: Is the Annual Meeting going to be webcast?

A: For your convenience, we are pleased to offer a live webcast of our Annual Meeting on the Investor Relations section of our web site at www.cuiglobal.com.

Q: Can I participate in the question-and-answer portion of the Annual Meeting without attending the Annual Meeting?

A: No. The live webcast will be only visual and audio; there will be no opportunity to participate in the question-and-answer portion of the Annual Meeting unless you are present at the meeting.

Q: What items of business will be voted on at the 2019 Annual Meeting?

A: The items of business scheduled to be voted on at the Annual Meeting are:

- The election of six directors to hold office until the 2020 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified;
- Ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019;
- Advisory approval of the company's executive compensation (Say-on-Pay).
- Advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency);
- To approve the adoption of the CUI 2019 Incentive Award Plan.

We will also consider any other business that properly comes before the Annual Meeting.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described herein so that your vote will be counted if you later decide not to attend the meeting.

Q: How shall I sign my name on the proxy card?

A: The following general rules for signing proxy cards may be of assistance to you and avoid the time and expense to CUI Global in validating your vote if you fail to sign your proxy card properly.

- Individual Accounts: Sign your name exactly as it appears in the registration on the proxy card.
- Joint Accounts: Either party may sign, but the name of the party signing should conform exactly to a name shown in the registration on the proxy card.
- All Other Accounts: The capacity of the individual signing the proxy card should be indicated unless it is reflected in the form of registration.

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by proxy. You can vote by proxy over the internet by following the instructions provided in the Notice or, if you requested to receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card. If you hold shares beneficially in street name, you may also vote by proxy over the internet by following the instructions provided in the Notice or, if you requested to receive printed proxy materials, you can also vote by telephone or mail by following the voting instruction card provided to you by your broker, bank, trustee or nominee.

[Table of Contents](#)

Q: May I change my vote?

A: You may change your vote at any time prior to the taking of the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by: (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method), (2) providing a written notice of revocation to CUI Global's Corporate Secretary at CUI Global, Inc., 20050 SW 112th Avenue, Tualatin, Oregon 97062 prior to your shares being voted or (3) attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee following the instructions they provided or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within CUI Global or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the votes and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to CUI Global management.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the aggregate voting power of the common stock outstanding on the record date will constitute a quorum. Each share of common stock is entitled to one vote. As of the Record Date for this Annual Meeting, approximately 28,680,260 shares of common stock were outstanding and entitled to vote at the Annual Meeting. Both abstentions and broker non-votes (described below) are counted for the purpose of determining the presence of a quorum. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares."

Q: What shares can I vote?

A: Each share of CUI Global common stock issued and outstanding as of the close of business on the Record Date for the Annual Meeting is entitled to be voted on all items being voted on at the Annual Meeting. You may vote all shares owned by you as of the Record Date, including: (1) shares held directly in your name as the stockholder of record and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee or other nominee.

Q: How many votes am I entitled to per share?

A: Each holder of shares of common stock is entitled to one vote for each share held as of the Record Date.

Q: What is the Record Date?

A: Record Date, in the context of voting at the Annual Meeting, is the date on which our stock ledger is closed for the purpose of determining which stockholders officially own voting shares in order to be entitled to vote at the Annual Meeting. The Record Date for the 2019 Annual Meeting of Stockholders is November 4, 2019.

Q: How may I vote?

A: Regarding the election of directors, you may vote "FOR" all or some of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees.

A: Regarding the following proposals, you may vote "FOR" or "AGAINST" or "ABSTAIN":

- Ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019,
- Advisory approval of the company's executive compensation (Say-on-Pay),
- Approval of the CUI 2019 Incentive Award Plan.

[Table of Contents](#)

A: Regarding the advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency), you may vote “EVERY YEAR”, “EVERY OTHER YEAR”, or “EVERY THREE YEARS”, or “ABSTAIN”.

Q: What vote is required to approve each item?

A: Election of directors

The affirmative vote “FOR” of a simple majority of the votes cast at the Annual Meeting is required for the election of each director. A properly executed proxy marked “WITHHOLD” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated or the other items to be voted on; although, it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted “FOR” election of the nominee for director.

A: Approval of the CUI 2019 Incentive Award Plan

The affirmative vote “FOR” of a simple majority of the votes cast at the Annual Meeting is required for the approval of the CUI 2019 Incentive Award Plan. A properly executed proxy marked “WITHHOLD” with respect to approval of the CUI 2019 Incentive Award Plan will not be voted with respect to approval of the CUI 2019 Incentive Award Plan; although, it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted “FOR” approval of the CUI 2019 Incentive Award Plan.

A: Ratification of Grant Thornton LLP as our independent registered public accounting firm.

The affirmative vote “FOR” of a simple majority of the votes cast at the Annual Meeting is required for the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2019. A properly executed proxy marked “ABSTAIN” regarding this issue will not be voted with respect to the item to be voted on; although, it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted “FOR” these issues.

A: Advisory vote on the approval of the company’s executive compensation (Say-on-Pay).

While we intend to carefully consider the voting results of this proposal, in accord with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, the final vote is advisory in nature, therefore, not binding on us, our board or the Compensation Committee. Our executive compensation will be approved, on an advisory basis, if the votes cast by stockholders in favor of advisory approval exceed those votes cast in opposition of advisory approval.

A. Advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency).

The choice receiving the greatest number of votes will determine the period of time considered to be approved by stockholders, on an advisory basis (Say-on-Frequency). The choices are: “EVERY YEAR”, “EVERY OTHER YEAR”, or “EVERY THREE YEARS”, or “ABSTAIN”.

You may cast your vote for your preferred voting frequency (Say-on-Frequency) by selecting the option of holding an advisory vote on executive compensation “EVERY YEAR”, “EVERY OTHER YEAR”, “EVERY THREE YEARS,” or you may “ABSTAIN.” The choice receiving the greatest number of votes will determine the period of time considered to be approved by stockholders, on an advisory basis. Similar to the effect of your vote for Say-on-Pay, while we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature, therefore, not binding on us, our board or the Compensation Committee.

A properly executed proxy marked “ABSTAIN” with regard to this issue will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted for “EVERY THREE YEARS”.

Q: What is the effect of the proposal to ratify the Audit Committee's appointment of Grant Thornton LLP as our independent registered public accounting firm?

A: Selection of our independent registered public accounting firm is not required to be submitted to a vote of stockholders. The Sarbanes-Oxley Act of 2002 requires the Audit Committee of our board of directors to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. However, the board of directors has elected to submit the selection of Grant Thornton LLP as our independent registered public accounting firm to stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether to retain Grant Thornton LLP, and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, at its discretion, appoint a different independent registered public accounting firm at any time during the year.

Q: Why am I asked to vote on the CUI 2019 Incentive Award Plan?

A: Nasdaq Listing Rule 5635(c) requires shareholder approval prior to the issuance of securities when a stock option or purchase plan is to be established or materially amended or other equity compensation arrangement is made or materially amended, pursuant to which stock may be acquired by officers, directors, employees, or consultants.

We had two previous equity incentive plans, 2008 Equity Incentive Plan and the Company's 2009 Equity Incentive Plan (Executive), which have both expired.

Q: What is the purpose of the CUI 2019 Incentive Award Plan and what is in it?

A: The purpose of the CUI 2019 Incentive Award Plan is to enhance CUI's ability to attract, retain and motivate persons who make (or are expected to make) important contributions to CUI by providing these individuals with equity ownership opportunities. CUI believes that the CUI 2019 Incentive Award Plan is essential to its success. Equity awards are intended to motivate high levels of performance and align the interests of CUI's directors, employees and consultants with those of CUI's stockholders by giving directors, employees and consultants the perspective of an owner with an equity stake in CUI and providing a means of recognizing their contributions to the success of CUI. The CUI board of directors and management believe that equity awards are necessary to remain competitive in its industry and are essential to recruiting and retaining the highly qualified employees who help CUI meet its goals.

The CUI 2019 Incentive Award Plan provides for the grant of stock options, including ISOs and nonqualified stock options ("NSOs"), stock appreciation rights ("SARs"), restricted stock, dividend equivalents, restricted stock units ("RSUs") and other stock or cash-based awards. Certain awards under the CUI 2019 Incentive Award Plan may constitute or provide for payment of "nonqualified deferred compensation" under Section 409A of the Internal Revenue Code. All awards under the CUI 2019 Incentive Award Plan will be set forth in an award Agreements, which will detail the terms and conditions of awards, including any applicable vesting and payment terms and post termination exercise limitations.

The CUI 2019 Incentive Award Plan is intended to conform to all provisions of the Securities Act of 1933, as amended, and the Exchange Act, and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder, including without limitation Rule 16b-3.

Q: Is cumulative voting permitted for the election of directors?

A: No. You may not cumulate your votes for the election of directors.

Q: What is cumulative voting?

A: A system of voting in which each voter is given as many votes as there are positions to be filled and allowed to cast those votes for one candidate or distribute them in any way among the candidates.

Q: What happens if additional matters are presented at the Annual Meeting?

A: Other than:

1. Election of six directors to hold office until the 2020 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified;
2. Ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019;
3. Advisory approval of the company's executive compensation (Say-on-Pay);
4. Advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency);
5. To approve the adoption of CUI 2019 Incentive Award Plan;

As described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you submit a signed proxy, the persons named as proxy will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Many CUI Global stockholders hold their shares as a beneficial owner through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the *stockholder of record*, and the Notice was sent directly to you by CUI Global. As the *stockholder of record*, you have the right to grant your voting proxy directly to CUI Global or to vote in person at the Annual Meeting. If you requested to receive printed proxy materials, CUI Global has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described in the Notice and below under the heading "How can I vote my shares without attending the Annual Meeting?"

Beneficial Owner

If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust or other similar organization, like most of our stockholders, you are considered the *beneficial owner* of shares held *in street name*, and the Notice was forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank, trustee or nominee how to vote your shares and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the *stockholder of record*, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the internet or by telephone, as described in the Notice and below under the heading "How can I vote my shares without attending the Annual Meeting?"

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: CUI Global will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the internet, you are responsible for internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and to disclose the vote results on Form 8-K as well as on our website at www.cuiglobal.com as soon as possible after the Annual Meeting.

PROPOSAL II

**Ratification of the Appointment of
Grant Thornton LLP as the Company's Independent Registered Public Accounting Firm
for the Year Ending December 31, 2019**

The Audit Committee has selected Grant Thornton LLP to serve as independent registered public accounting firm for the fiscal year ending December 31, 2019. The board is submitting the appointment of independent registered public accounting firm to the stockholders for ratification at the Annual Meeting.

Representatives of Grant Thornton LLP are expected to be available by teleconference at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Shareholder ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm is not required by the Company's Restated Articles of Incorporation, bylaws or otherwise; however, the board of directors is submitting the selection of Grant Thornton LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will review its future selection of an independent registered public accounting firm considering that vote result. Your ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019, does not preclude us from terminating our engagement of Grant Thornton LLP and retaining a new independent registered public accounting firm, if we determine that such an action would be in the best interests of the Company and its stockholders.

Vote Required

Ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019 requires the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and voting for the proposal.

The Board of Directors recommends a vote “FOR” the ratification of the appointment of Grant Thornton LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2019.

PROPOSAL III

Advisory Approval of the Company’s Executive Compensation (Say-on-Pay)

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and related SEC regulations require that, at least once every three years, we provide our stockholders with the opportunity to express their views on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement. We first held this vote, which is often referred to as the Say-on-Pay vote, at our annual meeting of stockholders held in 2013. At such meeting, our stockholders voted to hold the frequency of our Say-on-Pay vote on an annual basis. Our board of directors agreed to support the stockholder decision; therefore, the Company will hold future non-binding advisory votes on the compensation of our named executive officers every year, at least until the next required vote of frequency of stockholder votes on the compensation of our named executive officers. Such Say-on-Frequency vote must occur no later than the annual or other meeting of stockholders held in the sixth calendar year after the immediately preceding Say-on-Frequency vote (2013 Annual Meeting of Stockholders). In compliance with the Dodd-Frank Act, the board has authorized that a Say-on-Frequency proposal be included for the 2019 Annual Meeting. The Company could hold a Say-on-Frequency vote more frequently than every six years if it elects to do so.

The compensation of our named executive officers for the past three fiscal years is set forth in the *Elements of Executive Compensation* Section. The *Compensation Discussion and Analysis*, or *CD&A* Section, describes our executive compensation policies and practices and analyzes the compensation received by our named executive officers in fiscal year 2018. As described in the CD&A, our executive compensation philosophy is to reward performance and motivate collective achievement of strategic objectives that will contribute to our company’s success. Our board of directors believes the compensation programs for our named executive officers effectively meet the primary objectives of attracting and retaining highly qualified executives, motivating our executives to achieve our business objectives, rewarding our executives appropriately for their individual and collective contributions and aligning our executives’ interests with the long-term interests of our stockholders, and our board believes our programs are reasonable when compared to compensation at similar companies.

The vote on this resolution is not intended to address any specific element of executive compensation. Instead, the vote relates to the executive compensation of our named executive officers, as set forth in this Proxy Statement pursuant to the rules of the SEC. This vote provides stockholders with the opportunity to endorse or not endorse the compensation of our named executive officers, but is advisory and not binding on our company or our board of directors.

Accordingly, the board of directors believes the Company’s executive compensation achieves these objectives, therefore, unanimously recommends that stockholders vote “FOR” the proposal.

RESOLVED, that the stockholders of CUI Global, Inc. approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the compensation tables and related material in the Proxy Statement for the 2019 Annual Meeting of stockholders.

This vote will not be binding on the board of directors or the Compensation Committee and may not be construed as overruling a decision by the board or the Compensation Committee or create or imply any additional fiduciary duty on the board. It will also not affect any compensation paid or awarded to any executive. The approval or disapproval of this proposal by stockholders will not require the board of directors or the Compensation Committee to take any action regarding the Company’s executive compensation practices. The final decision on the compensation and benefits of the Company’s executive officers and on whether, and if so, how to address shareholder disapproval remains with the board and the Compensation Committee. Although the Say-on-Pay resolution is non-binding, the board of directors will review and consider the voting results when making future executive compensation decisions.

Vote Required

Our executive compensation will be approved, on an advisory basis, if the votes cast by stockholders in favor of advisory approval exceed those votes cast in opposition of the advisory approval.

The Board of Directors recommends a vote “FOR” Advisory Approval of the Company’s Executive Compensation (Say-on-Pay).

PROPOSAL IV

**Advisory Vote on the
Frequency of a Shareholder Vote on Executive Compensation
(Say-on-Frequency)**

The following proposal gives our stockholders the opportunity to vote, on an advisory basis, on the frequency with which we include in our Proxy Statement an advisory vote to approve or not approve the compensation of our named executive officers. By voting on this proposal, stockholders may indicate whether they prefer that we seek such an advisory vote every one, two or three years. After careful consideration of this proposal, our board determined that an advisory vote on executive compensation that occurs every three years is the most appropriate option for the Company, therefore, recommends that stockholders vote for future advisory votes on executive compensation to occur every three years. In reaching its recommendation, our board has determined that an advisory vote every three years would permit our compensation programs to be evaluated on a long-term basis and would allow the Company to engage a compensation expert only every three years, which the board believes is an appropriate use of Company funds, given the Company’s size. Further, our board believes that a well-structured and meaningful compensation program should include plans that increase shareholder value over the long-term and do not focus on short-term awards and that the effectiveness of such plans cannot be adequately evaluated on an annual or biennial basis.

Vote Required

You may cast your vote on your preferred voting frequency by selecting the option of holding an advisory vote on executive compensation “EVERY THREE YEARS”, “EVERY TWO YEARS”, “EVERY YEAR,” or you may “ABSTAIN.” Similar to the effect of your vote for Proposal III, while we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature, therefore, not binding on us, our board or the Compensation Committee. Our board and the Compensation Committee value the opinions of our stockholders and will consider the outcome of this vote when making future decisions on the frequency with which we will hold an advisory vote on executive compensation. The choice receiving the greatest number of votes will determine the period of time considered to be approved, on an advisory basis, by our stockholders.

The Board of Directors recommends a vote “FOR” voting “EVERY THREE YEARS” on the advisory of frequency of the advisory approval of executive compensation.

PROPOSAL V

To approve the adoption of the CUI 2019 Incentive Award Plan

In this Proposal, CUI is requesting CUI stockholders to approve and adopt the CUI 2019 Incentive Award Plan (the “CUI 2019 Incentive Award Plan”) and the material terms thereunder. The CUI board of directors has approved the CUI 2019 Incentive Award Plan, subject to stockholder approval at the CUI Stockholder Meeting. The CUI 2019 Incentive Award Plan will become effective upon stockholder approval.

[Table of Contents](#)

The CUI 2019 Incentive Award Plan is described in more detail below. A copy of the CUI 2019 Incentive Award Plan is attached to this Proxy Statement as Annex A.

The CUI 2019 Incentive Award Plan

The purpose of the CUI 2019 Incentive Award Plan is to enhance CUI's ability to attract, retain and motivate persons who make (or are expected to make) important contributions to CUI by providing these individuals with equity ownership opportunities. CUI believes that the CUI 2019 Incentive Award Plan is essential to its success. Equity awards are intended to motivate high levels of performance and align the interests of CUI's directors, employees and consultants with those of CUI's stockholders by giving directors, employees and consultants the perspective of an owner with an equity stake in CUI and providing a means of recognizing their contributions to the success of CUI. The CUI board of directors and management believe that equity awards are necessary to remain competitive in its industry and are essential to recruiting and retaining the highly qualified employees who help CUI meet its goals.

Prior CUI Incentive Plans, Now Expired

We had two previous equity incentive plans, which have both expired. The table below presents information about the number of outstanding equity awards under these previous plans at December 31, 2018. The outstanding equity awards under the prior plans will remain subject to the terms of the applicable prior plan and will not be recycled into the CUI 2019 Incentive Award Plan. The only equity incentive plan CUI will currently have is the CUI 2019 Incentive Award Plan, if it is approved by our stockholders:

The CUI 2019 Incentive Award Plan Share Limit and Share Reserve

In determining whether to approve the CUI 2019 Incentive Award Plan, including the proposed share reserve under the CUI 2019 Incentive Award Plan, the CUI board of directors considered, among other factors, the following:

- Both of CUI's prior equity incentive plans have expired.
- Share Limit is the sum of (a) 5,700,000 Shares, approximately 20% of the issued and outstanding shares of common stock that includes 3,160,000 Shares underlying Options issued to William J. Clough (1,600,000), Daniel N. Ford (960,000), and James F. O'Neil (600,000); and (c) an annual increase (Share Reserve) on the first day of each calendar year beginning January 1, 2020 and ending on and including January 1, 2029, equal to the lesser of (i) 5% of the aggregate number of shares outstanding on the final day of the immediately preceding calendar year and (ii) such smaller number of shares as is determined by the Board. The options issued to each of Messrs. Clough, Ford and O'Neil are subject to forfeiture if the Company's shareholders do not approve this Plan within one (1) year of the Effective Date.
- A primary purpose of the Share Reserve under the CUI 2019 Incentive Award Plan is to provide CUI with appropriate capacity to issue equity compensation in anticipation of future acquisitions. In determining the size of the Share Reserve under the CUI 2019 Incentive Award Plan, the CUI board of directors will consider the substantial changes to the capitalization structure of CUI that will occur as a result of future acquisitions, if any.
- CUI expects the proposed aggregate Share Reserve under the CUI 2019 Incentive Award Plan to provide CUI with enough shares for awards for at least three years, assuming CUI continues to grant awards consistent with CUI's current practices, assuming CUI receives the maximum annual evergreen increases under the CUI 2019 Incentive Award Plan during its ten-year term, and further dependent on the price of CUI shares and hiring activity during the next few years, forfeitures of outstanding awards, and future circumstances may require CUI to change its current equity grant practices. CUI cannot predict its future equity grant practices, the future price of CUI shares or future hiring activity with any degree of certainty at this time, and the share reserve under the CUI 2019 Incentive Award Plan could last for a shorter or longer time.

Grants of stock options to executive officers and new director subject to stockholder approval of the CUI 2019 Incentive Award Plan

On May 14, 2019, we entered into executive employment agreements with William J. Clough, our Chief Executive Officer, President and General Counsel and Daniel N. Ford, our Chief Financial Officer and Chief Operating Officer – Energy Division. In connection with these executive employment agreements, we granted Mr. Clough options to acquire 1,600,000 shares of our common stock at an exercise price of \$1.14. Likewise, we granted Mr. Ford options to acquire 960,000 shares of our common stock at an exercise price of \$1.14. The exercise price is set at the closing price as quoted on Nasdaq as of May 13, 2019. These options vest equally over 36 months. July 9, 2019, Mr. James O'Neil was awarded an option to purchase 600,000 shares of CUI common stock at an exercise price of \$0.84, which option shall vest in twelve equal quarterly tranches from the date of grant, July 9, 2019. Issuance of the options to each of Messrs Clough, Ford and O'Neil is subject to stockholder approval of the CUI 2019 Incentive Award Plan within one (1) year of the date of their agreements. If our stockholders do not approve the CUI 2019 Incentive Award Plan or another plan by May 13, 2020, the options issued to Mr. Clough, Mr. Ford and Mr. O'Neil shall terminate and be of no further force and effect.

[Table of Contents](#)

In light of the factors described above, and the fact that the ability to continue to grant equity compensation is vital to CUI's ability to continue to attract and retain employees in the extremely competitive labor markets in which it competes, the CUI board of directors believes it has approved a share reserve under the CUI 2019 Incentive Award Plan that is reasonable and appropriate at this time. The CUI board of directors will not create a subcommittee to evaluate the risk and benefits for issuing shares under the CUI 2019 Incentive Award Plan.

Summary of the CUI 2019 Incentive Award Plan

This section summarizes certain principal features of the CUI 2019 Incentive Award Plan. The summary is qualified in its entirety by reference to the complete text of the CUI 2019 Incentive Award Plan, which is attached to this Proxy Statement as Annex A.

Eligibility and Administration

CUI's employees, consultants and directors, and employees and consultants of CUI's subsidiaries, will be eligible to receive awards under the CUI 2019 Incentive Award Plan. As of December 31, 2018, CUI had 357 employees.

The CUI 2019 Incentive Award Plan will be administered by the CUI board of directors, which may delegate its duties and responsibilities to one or more committees of CUI's directors and/or officers (referred to collectively as the plan administrator), subject to the limitations imposed under the CUI 2019 Incentive Award Plan, Section 16 of the Exchange Act, stock exchange rules and other applicable laws. The plan administrator will have the authority to take all actions and make all determinations under the CUI 2019 Incentive Award Plan, to interpret the CUI 2019 Incentive Award Plan and Award Agreement and to adopt, amend and repeal rules for the administration of the CUI 2019 Incentive Award Plan as it deems advisable. The plan administrator will also have the authority to determine which eligible service providers receive awards, grant awards and set the terms and conditions of all awards under the CUI 2019 Incentive Award Plan, including any vesting and vesting acceleration provisions, subject to the conditions and limitations in the CUI 2019 Incentive Award Plan.

Lapsed or Terminated Shares Available for Awards

If an award under the CUI 2019 Incentive Award Plan expires, lapses or is terminated, exchanged for cash, surrendered, repurchased, canceled without having been fully exercised or forfeited, any unused shares subject to the award will again be available for new grants under the CUI 2019 Incentive Award Plan. Further, shares delivered to satisfy the purchase price or tax withholding obligation of any award or grant under the CUI 2019 Incentive Award Plan will again be available for new grants under the CUI 2019 Incentive Award Plan.

Awards granted under the CUI 2019 Incentive Award Plan in substitution for any options or other stock or stock-based awards granted by an entity before the entity's acquisition or consolidation with CUI (or any of CUI's subsidiaries) or CUI's (or any of CUI's subsidiary's) acquisition of the entity's property or stock will not reduce the shares available for grant under the CUI 2019 Incentive Award Plan, but will count against the maximum number of shares that may be issued upon the exercise of incentive stock options.

Awards

The CUI 2019 Incentive Award Plan provides for the grant of stock options, including ISOs and nonqualified stock options (“NSOs”), stock appreciation rights (“SARs”), restricted stock, dividend equivalents, restricted stock units (“RSUs”) and other stock or cash-based awards. Certain awards under the CUI 2019 Incentive Award Plan may constitute or provide for payment of “nonqualified deferred compensation” under Section 409A of the Code. All awards under the CUI 2019 Incentive Award Plan will be set forth in the award agreement, which will detail the terms and conditions of awards, including any applicable vesting and payment terms and post termination exercise limitations. A brief description of each award type follows.

- **Stock Options and SARs.** Stock options provide for the purchase of shares of common stock of CUI in the future at an exercise price set on the grant date. ISOs, in contrast to NSOs, may provide tax deferral beyond exercise and favorable capital gains tax treatment to their holders if certain holding period and other requirements of the Code are satisfied. SARs entitle their holder, upon exercise, to receive from CUI an amount equal to the appreciation of the shares subject to the award between the grant date and the exercise date. The plan administrator will determine the number of shares covered by each option and SAR, the exercise price of each option and SAR and the conditions and limitations applicable to the exercise of each option and SAR. The exercise price of a stock option or SAR will not be less than 100% of the fair market value of the underlying share on the grant date (or 110% in the case of ISOs granted to certain significant stockholders), except with respect to certain substitute awards granted in connection with a corporate transaction. The term of a stock option or SAR may not be longer than ten years (or five years in the case of ISOs granted to certain significant stockholders).
- **Restricted Stock.** Restricted stock is an award of nontransferable shares of common stock of CUI that remain forfeitable unless and until specified conditions are met and which may be subject to a purchase price. Upon issuance of restricted stock, recipients generally have the rights of a stockholder with respect to such shares, which generally include the right to receive dividends and other distributions in relation to the award. The terms and conditions applicable to restricted stock will be determined by the plan administrator, subject to the conditions and limitations contained in the CUI 2019 Incentive Award Plan.
- **RSUs.** RSUs are contractual promises to deliver shares of common stock of CUI in the future, which may also remain forfeitable unless and until specified conditions are met and may be accompanied by the right to receive the equivalent value of dividends paid on shares of common stock of CUI prior to the delivery of the underlying shares (i.e., dividend equivalent rights). The plan administrator may provide that the delivery of the shares underlying RSUs will be deferred on a mandatory basis or at the election of the participant. The terms and conditions applicable to RSUs will be determined by the plan administrator, subject to the conditions and limitations contained in the CUI 2019 Incentive Award Plan.
- **Other Stock or Cash Based Awards.** Other stock or cash-based awards are awards of cash, fully vested shares of common stock of CUI and other awards valued wholly or partially by referring to, or otherwise based on, shares of common stock of CUI or other property. Other stock or cash-based awards may be granted to participants and may also be available as a payment form in the settlement of other awards, as standalone payments and as payment in lieu of compensation to which a participant is otherwise entitled. The plan administrator will determine the terms and conditions of other stock or cash-based awards, which may include any purchase price, performance goal, transfer restrictions and vesting conditions.

Certain Transactions

In connection with certain corporate transactions and events affecting the common stock of CUI, including a change in control, or change in any applicable laws or accounting principles, the plan administrator has broad discretion to take action under the CUI 2019 Incentive Award Plan to prevent the dilution or enlargement of intended benefits, facilitate the transaction or event or give effect to the change in applicable laws or accounting principles. This includes canceling awards for cash or property, accelerating the vesting of awards, providing for the assumption or substitution of awards by a successor entity, adjusting the number and type of shares subject to outstanding awards and/or with respect to which awards may be granted under the CUI 2019 Incentive Award Plan and replacing or terminating awards under the CUI 2019 Incentive Award Plan. In addition, in the event of certain non-reciprocal transactions with CUI’s stockholders, the plan administrator will make equitable adjustments to the CUI 2019 Incentive Award Plan and outstanding awards as it deems appropriate to reflect the transaction. In the event of change in control, if awards are not continued, converted, assumed, or replaced with a substantially similar award by CUI or a successor entity or its parent or subsidiary, then, immediately prior to the change in control, and contingent on a participant’s then-current employment with CUI, such awards shall become fully vested, exercisable and/or payable, as applicable, and all forfeiture, repurchase and other restrictions on such awards shall lapse, in which case, such awards shall be canceled upon the consummation of the change in control in exchange for the right to receive the change in control consideration payable to other holders of common stock.

Provisions of the CUI 2019 Incentive Award Plan Relating to Director Compensation

The CUI 2019 Incentive Award Plan provides that the plan administrator may establish compensation for non-employee directors from time to time subject to the CUI 2019 Incentive Award Plan's limitations. The plan administrator will from time to time determine the terms, conditions and amounts of all non-employee director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, provided that, the sum of any cash compensation or other compensation and the grant date fair value of any equity awards granted under the CUI 2019 Incentive Award Plan as compensation for services as a non-employee director during any fiscal year may not exceed \$250,000 per year of a non-employee director's service as a non-employee director. The plan administrator may make exceptions to this limit for individual non-employee directors, as the plan administrator may determine in its discretion, subject to the limitations in the CUI 2019 Incentive Award Plan. The non-employee Director receiving such additional compensation may not participate in the decision to award such compensation or in other contemporaneous compensation decisions involving the non-employee Director.

Plan Amendment and Termination

The CUI board of directors may amend or terminate the CUI 2019 Incentive Award Plan at any time; however, an amendment that increases the number of shares available under the CUI 2019 Incentive Award Plan requires stockholder approval. The CUI 2019 Incentive Award Plan will remain in effect until the tenth anniversary of the date the CUI board of directors adopted the CUI 2019 Incentive Award Plan, unless earlier terminated by the CUI board of directors. No awards may be granted under the CUI 2019 Incentive Award Plan after its termination. Under the CUI 2019 Incentive Award Plan, the plan administrator may, without the approval of our stockholders, authorize the repricing of any outstanding option or SAR to reduce its price per share, or cancel any option or SAR in exchange for cash or another award when the price per share exceeds the Fair Market Value (as that term is defined in the CUI 2019 Incentive Award Plan) of the underlying shares.

Foreign Participants, Claw-Back Provisions and Transferability

The plan administrator may modify awards granted to participants who are foreign nationals or employed outside the United States or establish subplans or procedures to address differences in laws, rules, regulations or customs of such foreign jurisdictions. All awards will be subject to any company claw-back policy as set forth in such claw-back policy or the applicable award agreement. Except as the plan administrator may determine or provide in an award agreement, awards under the CUI 2019 Incentive Award Plan are generally non-transferrable, except by will or the laws of descent and distribution or, subject to the plan administrator's consent, pursuant to a domestic relations order, and are generally exercisable only by the participant. With regard to tax withholding obligations arising in connection with awards under the CUI 2019 Incentive Award Plan, and exercise price obligations arising in connection with the exercise of stock options under the CUI 2019 Incentive Award Plan, the plan administrator may, in its discretion, accept cash, wire transfer or check, shares of common stock of CUI that meet specified conditions, a promissory note, a "market sell order," such other consideration as the plan administrator deems suitable or any combination of the foregoing.

Securities Laws

The CUI 2019 Incentive Award Plan is intended to conform to all provisions of the Securities Act of 1933, as amended, and the Exchange Act, and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder, including without limitation Rule 16b-3. The CUI 2019 Incentive Award Plan will be administered, and options will be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations.

Material U.S. Federal Income Tax Consequences

The following summary is based on an analysis of the Code as currently in effect, existing laws, judicial decisions, administrative rulings, regulations and proposed regulations, all of which are subject to change. Moreover, the following is only a summary of United States federal income tax consequences. Actual tax consequences to participants may be either more or less favorable than those described below depending on the participant's particular circumstances.

ISOs. No income will be recognized by a participant for federal income tax purposes upon the grant or exercise of an ISO. The basis of shares transferred to a participant upon exercise of an ISO is the price paid for the shares. If the participant holds the shares for at least one year after the transfer of the shares to the participant and two years after the grant of the option, the participant will recognize capital gain or loss upon sale of the shares received upon exercise equal to the difference between the amount realized on the sale and the basis of the stock. Generally, if the shares are not held for that period, the participant will recognize ordinary income upon disposition in an amount equal to the excess of the fair market value of the shares on the date of exercise over the amount paid for the shares, or if less, the gain on disposition. Any additional gain realized by the participant upon the disposition will be a capital gain. The excess of the fair market value of shares received upon the exercise of an ISO over the option price for the shares is generally an item of adjustment for the participant for purposes of the alternative minimum tax. Therefore, although no income is recognized upon exercise of an ISO, a participant may be subject to alternative minimum tax as a result of the exercise.

NSOs. No income is expected to be recognized by a participant for federal income tax purposes upon the grant of an NSO. Upon exercise of an NSO, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of exercise over the amount paid for the shares. Income recognized upon the exercise of an NSO will be considered compensation subject to withholding at the time the income is recognized, and, therefore, the participant's employer must make the necessary arrangements with the participant to ensure that the amount of the tax required to be withheld is available for payment. NSOs are designed to provide the employer with a deduction equal to the amount of ordinary income recognized by the participant at the time of the recognition by the participant, subject to the deduction limitations described below.

SARs. There is expected to be no federal income tax consequences to either the participant or the employer upon the grant of SARs. Generally, the participant will recognize ordinary income subject to withholding upon the receipt of payment pursuant to SARs in an amount equal to the aggregate amount of cash and the fair market value of any common stock received. Subject to the deduction limitations described below, the employer generally will be entitled to a corresponding tax deduction equal to the amount includible in the participant's income.

Restricted Stock. If the restrictions on an award of shares of restricted stock are of a nature that the shares are both subject to a substantial risk of forfeiture and are not freely transferable (within the meaning of Section 83 of the Code), the participant will not recognize income for federal income tax purposes at the time of the award unless the participant affirmatively elects to include the fair market value of the shares of restricted stock on the date of the award, less any amount paid for the shares, in gross income for the year of the award pursuant to Section 83(b) of the Code. In the absence of this election, the participant will be required to include in income for federal income tax purposes on the date the shares either become freely transferable or are no longer subject to a substantial risk of forfeiture (within the meaning of Section 83 of the Code), the fair market value of the shares of restricted stock on such date, less any amount paid for the shares. The employer will be entitled to a deduction at the time of income recognition to the participant in an amount equal to the amount the participant is required to include in income with respect to the shares, subject to the deduction limitations described below. If a Section 83(b) election is made within 30 days after the date the restricted stock is received, the participant will recognize ordinary income at the time of the receipt of the restricted stock, and the employer will be entitled to a corresponding deduction, equal to the fair market value of the shares at the time, less the amount paid, if any, by the participant for the restricted stock. If a Section 83(b) election is made, no additional income will be recognized by the participant upon the lapse of restrictions on the restricted stock, but, if the restricted stock is subsequently forfeited, the participant may not deduct the income that was recognized pursuant to the Section 83(b) election at the time of the receipt of the restricted stock.

Table of Contents

Dividends paid to a participant holding restricted stock before the expiration of the restriction period will be additional compensation taxable as ordinary income to the participant subject to withholding, unless the participant made an election under Section 83(b). Subject to the deduction limitations described below, the employer generally will be entitled to a corresponding tax deduction equal to the dividends includible in the participant's income as compensation. If the participant has made a Section 83(b) election, the dividends will be dividend income, rather than additional compensation, to the participant.

If the restrictions on an award of restricted stock are not of a nature that the shares are both subject to a substantial risk of forfeiture and not freely transferable, within the meaning of Section 83 of the Code, the participant will recognize ordinary income for federal income tax purposes at the time of the transfer of the shares in an amount equal to the fair market value of the shares of restricted stock on the date of the transfer, less any amount paid therefore. The employer will be entitled to a deduction at that time in an amount equal to the amount the participant is required to include in income with respect to the shares, subject to the deduction limitations described below.

RSUs. There will be no federal income tax consequences to either the participant or the employer upon the grant of RSUs. Generally, the participant will recognize ordinary income subject to withholding upon the receipt of cash and/or transfer of shares of common stock in payment of the RSUs in an amount equal to the aggregate of the cash received and the fair market value of the common stock so transferred. Subject to the deduction limitations described below, the employer generally will be entitled to a corresponding tax deduction equal to the amount includible in the participant's income.

Generally, a participant will recognize ordinary income subject to withholding upon the payment of any dividend equivalents paid with respect to an award in an amount equal to the cash the participant receives. Subject to the deduction limitations described below, the employer generally will be entitled to a corresponding tax deduction equal to the amount includible in the participant's income.

Excess Parachute Payments. Section 280G of the Code limits the deduction that the employer may take for otherwise deductible compensation payable to certain individuals if the compensation constitutes an "excess parachute payment." Excess parachute payments arise from payments made to disqualified individuals that are in the nature of compensation and are contingent on changes in ownership or control of the employer or certain affiliates. Accelerated vesting or payment of awards under the CUI 2019 Incentive Award Plan upon a change in ownership or control of the employer or its affiliates could result in excess parachute payments. In addition to the deduction limitation applicable to the employer, a disqualified individual receiving an excess parachute payment is subject to a 20% excise tax on the amount thereof.

Application of Section 409A of the Code. Section 409A of the Code imposes an additional 20% tax and interest on an individual receiving non-qualified deferred compensation under a plan that fails to satisfy certain requirements. For purposes of Section 409A, "non-qualified deferred compensation" includes equity-based incentive programs, including some stock options, SARs and RSU programs. Generally speaking, Section 409A does not apply to ISOs, non-discounted NSOs and appreciation rights if no deferral is provided beyond exercise, or restricted stock.

The awards made pursuant to the CUI 2019 Incentive Award Plan are expected to be designed in a manner intended to comply with the requirements of Section 409A of the Code to the extent the awards granted under the CUI 2019 Incentive Award Plan are not exempt from coverage. However, if the CUI 2019 Incentive Award Plan fails to comply with Section 409A in operation, a participant could be subject to the additional taxes and interest.

State and local tax consequences may in some cases differ from the federal tax consequences. The foregoing summary of the income tax consequences in respect of the CUI 2019 Incentive Award Plan is for general information only. Interested parties should consult their own advisors as to specific tax consequences of their awards. The CUI 2019 Incentive Award Plan is not subject to the Employee Retirement Income Security Act of 1974, as amended, and is not intended to be qualified under Section 401(a) of the Code.

Corporate Governance and Board of Directors Matters

We are committed to maintaining the highest standards of business conduct and corporate governance, which we believe are essential to running our business efficiently, serving our stockholders well and maintaining our integrity in the marketplace. We have adopted a Corporate Code of Ethics and Business Conduct, including our Whistleblower Policy, for employees, directors and officers (including our principal executive officer and principal financial and accounting officer). We have also adopted the following governance guides: Charter of the Audit Committee, Charter of the Compensation Committee, Policy for Director Independence, Nominating Committee Charter, Whistleblower Policy, Disclosure Controls and Procedures and Corporate Social Responsibility Policy, all of which, in conjunction with our Articles of Incorporation and bylaws, form the framework for our corporate governance. These corporate governance documents are available on the internet and our website at www.cuiglobal.com.

Board Diversity

Although CUI Global does not presently have a formal Board Diversity Policy, we believe in diversity and value the benefits that diversity can bring to our board of directors. Diversity promotes the inclusion of different perspectives and ideas, mitigates against group think and ensures that the Company has the opportunity to benefit from all available talent. The promotion of a diverse Board makes prudent business sense and makes for better corporate governance.

The Company seeks to maintain a Board comprised of talented and dedicated directors with a diverse mix of expertise, experience, skills and backgrounds. The skills and backgrounds collectively represented on the Board should reflect the diverse nature of the business environment in which the Company operates. For purposes of Board composition, diversity includes, but is not limited to, business experience, geography, age, gender, and ethnicity and aboriginal status. In particular, the Board should include an appropriate number of women directors.

The Company is committed to a merit-based system for Board composition within a diverse and inclusive culture which solicits multiple perspectives and views and is free of conscious or unconscious bias and discrimination. When assessing Board composition or identifying suitable candidates for appointment or re-election to the Board, the Company will consider candidates on merit against objective criteria having due regard to the benefits of diversity and the needs of the Board. Of our current six directors, two directors are ethnically diverse.

Our Corporate Governance Practices

We have always believed in strong and effective corporate governance procedures and practices. In that spirit, we have summarized several of our corporate governance practices below.

The Board of Director's Role in Risk Oversight

The board of directors and its committees have an important role in the Company's risk oversight, management and assessment process. The board regularly reviews with management, the Company's financial and business strategies, which include a discussion of relevant material risks as appropriate. The board discusses with the Company's outside general counsel, as appropriate, its risk oversight and assessment as well as any material risks to the Company. In addition, the board delegates risk management responsibilities to the Audit Committee and Compensation Committee, which are each comprised of only independent directors.

The Audit Committee, as part of its charter, oversees the Company's risk oversight, management and assessment of the Company and oversees and assesses the risks associated with the corporate governance and ethics of the Company. Risk considerations are a material aspect of the Compensation Committee. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation. In addition, the Compensation Committee also, as appropriate, assesses the risks relating to the Company's overall compensation programs.

[Table of Contents](#)

While the Audit Committee and Compensation Committee oversee the management of the risk areas identified above, the entire board is regularly informed through committee reports about such risks. This enables the board and its committees to coordinate the risk management, assessment and oversight roles.

[Adopting Governance Guidelines](#)

Our board of directors has adopted a set of corporate governance guidelines to establish a framework within which it will conduct its business and to guide management in its running of our Company. The governance guidelines can be found on our website at www.cuiglobal.com and are summarized below.

[Providing Transparency](#)

We believe that it is important that stockholders understand our governance practices. To help ensure transparency of our practices, we have posted information regarding our corporate governance procedures on our website at www.cuiglobal.com.

[Communications with the Board of Directors](#)

Stockholders may communicate with the board of directors by writing to the Company at CUI Global, Inc., 20050 SW 112th Avenue, Tualatin, Oregon 97062 or phone (503) 612-2300. Stockholders who would like their submission directed to a member of the board may so specify and the communication will be forwarded as appropriate.

[Monitoring Board Effectiveness](#)

It is important that our board of directors and its committees are performing effectively and in the best interest of the Company and its stockholders. The board of directors and each committee are responsible for annually assessing their effectiveness in fulfilling their obligations.

[Conducting Formal Independent Director Sessions](#)

On a regular basis, many times at the conclusion of regularly scheduled board meeting, the independent directors are encouraged to meet privately, without our management or any non-independent directors.

[Hiring Outside Advisors](#)

The board and each of its committees may retain outside advisors and consultants of their choosing at company expense, without management's consent.

[Avoiding Conflicts of Interest](#)

We expect our directors, executives and employees to conduct themselves with the highest degree of integrity, ethics and honesty. Our credibility and reputation depend upon the good judgment, ethical standards and personal integrity of each director, executive and employee. To provide assurances to the Company and its stockholders, we have implemented standards of business conduct which provide clear conflict of interest guidelines to our employees and directors, as well as an explanation of reporting and investigatory procedures.

[Corporate Social Responsibility](#)

Our board adopted a companywide Corporate Social Responsibility Policy (CSR). As a responsible member of society, we believe that the long-term future of our business is best served by respecting the interests of our employees, customers, contractors, suppliers and the wider global community. We look for opportunities to reduce our impact on the environment and to contribute to the wellbeing of those less fortunate than ourselves. Our CSR policy sets out the principles we follow with a view to supporting our CSR ethos. Demonstrating our commitment to Corporate Social Responsibility is an objective toward which we aim to align our business values, purpose and strategy with the social and economic needs of our stockholders, while embedding responsible and ethical business policies and practices into everything we do.

We will disclose any amendments to the Code of Ethics and Business Conduct or waiver of a provision on our website at www.cuiglobal.com.

[Internal Auditor](#)

The board of directors adopted a Charter of Internal Audit that authorizes and outlines the function of an Internal Audit as an independent and objective assurance activity that is guided by a philosophy of adding value to improve the operations of CUI Global. A copy of this charter is posted on our website, www.cuiglobal.com. It is designed to assist CUI Global in accomplishing objectives by bringing a systematic and disciplined approach to evaluate and improve the design and operating effectiveness of CUI Global's governance, risk management, and internal control over financial reporting.

[Ensuring Independent Registered Public Accounting Firm Independence](#)

We have taken a number of steps to ensure the continued independence of our independent registered public accounting firm. That firm reports directly to the Audit Committee, which also has the ability to pre-approve or reject any non-audit services proposed to be conducted by our independent registered public accounting firm. For further information on independent registered public accounting firm independence see the section hereafter entitled *Audit Committee*.

[Whistleblower Policy](#)

In furtherance of our governance transparency and ethical standards, we adopted a comprehensive Whistleblower Policy that encourages employees to report to proper authorities incorrect financial reporting, unlawful activity, activities that are not in line with CUI Global Code of Ethics and Business Conduct or activities, which otherwise amount to serious improper conduct. Our Whistleblower Policy is posted on our website at www.cuiglobal.com.

Each of the committees operates under a written charter adopted by the board of directors. All committee charters are available on our website at www.cuiglobal.com.

Audit Committee Report

The Audit Committee reviews the financial information that will be provided to the stockholders and others, the systems of internal controls established by management and the board and the independence and performance of the Company's audit process.

The Audit Committee has:

- reviewed and discussed with management the audited consolidated financial statements included in the Company's Annual Report on Form 10-K and the most recent Quarterly Report on Form 10-Q;
- discussed with Perkins & Company P.C., the Company's 2018 independent registered public accounting firm, the matters required to be discussed by General Auditing Standard 1301: Communications with Audit Committees as adopted by the Public Company Accounting Oversight Board; and
- received the written disclosures and letter from Perkins & Company P.C. as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with Perkins & Company P.C., its independence from CUI Global.

Based on these reviews and discussions, the Audit Committee has recommended that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2018. The Audit Committee has also considered whether the amount and nature of non-audit services provided by Perkins & Company P.C. is compatible with the auditor's independence and determined that it is compatible.

The board of directors has developed a formal policy for the identification and evaluation of nominees, Charter of the Nominating Committee of the Board of Directors, which can be reviewed on our website at www.cuiglobal.com. In general, when the board of directors determines that expansion of the board of directors or replacement of a director is necessary or appropriate, the nominating committee will review, through candidate interviews with members of the board of directors and management, consultation with the candidate's associates and through other means, a candidate's honesty, integrity, reputation in and commitment to the community, judgment, personality and thinking style, willingness to invest in the Company, residence, willingness to devote the necessary time, potential conflicts of interest, independence, understanding of financial statements and issues, and the willingness and ability to engage in meaningful and constructive discussion regarding Company issues. The committee reviews any special expertise, for example, that qualifies a person as an audit committee financial expert, membership or influence in a geographic or business target market, or other relevant business experience. To date the Company has not paid any fee to any third party to identify or evaluate, or to assist it in identifying or evaluating, potential director candidates.

The nominating committee considers director candidates nominated by stockholders during such times as the Company is actively considering obtaining new directors. Candidates recommended by stockholders will be evaluated based on the same criteria described above. Stockholders desiring to suggest a candidate for consideration should send a letter to the Company's secretary and include: (a) a statement that the writer is a stockholder (providing evidence if the person's shares are held in street name) and is proposing a candidate for consideration; (b) the name and contact information for the candidate; (c) a statement of the candidate's business and educational experience; (d) information regarding the candidate's qualifications to be director, including but not limited to an evaluation of the factors discussed above which the board of directors would consider in evaluating a candidate; (e) information regarding any relationship or understanding between the proposing stockholder and the candidate; (f) information regarding potential conflicts of interest and (g) a statement that the candidate is willing to be considered and willing to serve as director if nominated and elected. Because of the small size of the Company and the limited need to seek additional directors, there is no assurance that all stockholder proposed candidates will be fully considered, that all candidates will be considered equally or that the proponent of any candidate or the proposed candidate will be contacted by the Company or the board of directors and no undertaking to do so is implied by the willingness to consider candidates proposed by stockholders.

Compensation Discussion and Analysis

Executive Compensation

General Philosophy

Our compensation philosophy is based on the premise of attracting, retaining and motivating exceptional leaders, setting high goals, working toward the common objectives of meeting the expectations of customers and stockholders and rewarding outstanding performance. Following this philosophy, in determining executive compensation, we consider all relevant factors, such as the competition for talent, our desire to link pay with performance, the use of equity to align executive interests with those of our stockholders, individual contributions, teamwork and performance, each executive's total compensation package and internal pay equity. We strive to accomplish these objectives by compensating all employees with total compensation packages consisting of a combination of competitive base salary and incentive compensation.

Pay for Performance

At the core of our compensation philosophy is our strong belief that pay should be directly linked to performance. We believe in a pay for performance culture that places a significant portion of executive officer total compensation as contingent upon, or variable with, individual performance, Company performance and achievement of strategic goals including increasing shareholder value.

The performance based compensation for our executives may be in the form of (i) annual cash incentives to promote achievement of, and accountability for, shorter term performance plans and strategic goals and (ii) equity grants, designed to align the long-term interests of our executive officers with those of our stockholders, by creating a strong and direct link between executive compensation and shareholder return over a multiple year performance cycle. Long-term incentive equity awards are typically granted in restricted stock or stock options. These awards generally vest over a two to four-year period. This opportunity for share ownership was to provide incentive and retain key employees and align their interests with our long-term strategic goals.

Base Compensation to be Competitive within Industry

A key component of an executive's total compensation base salary is designed to compensate executives commensurate with their respective level of experience, scope of responsibilities, sustained individual performance and future potential. The goal has been to provide for base salaries that are sufficiently competitive with other similar-sized companies, both regionally and nationally, to attract and retain talented leaders.

Compensation Setting Process

Management's Role in the Compensation Setting Process

Management plays a significant role in the compensation-setting process. The most significant aspects of management's role are:

- assisting in establishing business performance goals and objectives;
- evaluating employee and Company performance;
- CEO recommending compensation levels and awards for executive officers;
- implementing the board approved compensation plans; and
- assistance in preparing agenda and materials for the Committee meetings.

The Chief Executive Officer generally attends the Committee meetings excluding meetings regarding his compensation; however, the Committee also regularly meets in executive session. The Chief Executive Officer makes recommendations with respect to financial and corporate goals and objectives and makes non-CEO executive compensation recommendations to the Compensation Committee based on Company performance, individual performance and the peer group compensation market analysis. The Compensation Committee considers and deliberates on this information and in turn makes recommendations to the board of directors, for the board's determination and approval of the executives' and other members of senior management's compensation, as necessary, including base compensation, short-term cash incentives and long-term equity incentives. For related party employee matters, appropriate personnel meet with the Compensation Committee to determine compensation and incentives and to review ongoing performance of the employee. The Chief Executive Officer's performance and compensation is reviewed, evaluated and established separately by the Compensation Committee and ratified and approved by the board of directors.

Table of Contents

Setting Compensation Levels

To evaluate whether total compensation is competitive and provides appropriate rewards to attract and retain talented leaders, as discussed above, we may rely on analyses of peer companies performed by independent compensation consultants and on other industry and occupation specific survey data available. Our general benchmark is to establish both base salary and total compensation for the executive officers at or near the compensation of peer group data, recognizing that a significant portion of executive officer total compensation should be contingent upon, or variable with, achievement of individual and Company performance objectives and strategic goals, as well as being variable with stockholder value. Further, while the objective for base salary is at that of peer group data, executives' base salaries are designed to reward core competencies and contributions to the Company and may be increased above this general benchmark based on (i) the individual's increased contribution over the preceding year; (ii) the individual's increased responsibilities over the preceding year; and (iii) any increase in median competitive pay levels.

Setting Performance Objectives

The Company's business plans and strategic objectives are generally presented by management annually and as needed to the board of directors. The board engages in an active discussion concerning the financial targets, the appropriateness of the strategic objectives and the difficulty in achieving the same. In establishing the compensation plan, our Compensation Committee then utilizes the primary financial objectives from the adopted business plan and operating cash flow as the primary targets for determining the executive officers' short-term cash incentives and long-term equity incentive compensation. The Committee also establishes additional non-financial performance goals and objectives, the achievement of which is required for funding of a significant portion, approximately twenty five percent, of the executive officers' incentive compensation. In 2018, these non-financial performance goals and objectives included among other factors, the continued growth of the Orbital Gas Systems, North America operations; continued integration of CUI-Canada; continued expansion within the global natural gas market, expansion of distribution and direct customer relationships through CUI Inc.; continued product development and new product introductions including the ICE technology and various VE technology-based sample systems; and general and administrative management responsibilities. In addition, such factors as revenue growth; new product adoption; market penetration; M&A activities; and investment banking transactions were and are considered in setting compensation levels.

Annual Evaluation

The Chief Executive Officer recommends the actual incentive award amounts for all other executives based on actual Company performance relative to the targets set as well as on individual performance and recommends the executives' base salary levels. The Compensation Committee considers these recommendations generally following the end of each fiscal year in determining its recommendations to the board of directors for the final short-term cash incentive and long-term equity award amounts for each executive. Executive base salary levels are reviewed in accordance with their respective employment agreements. The actual incentive amounts awarded to each executive are ultimately subject to the discretion of the Compensation Committee and the board of directors.

Voting Results on Executive Compensation (Say-on-Pay) Advisory Vote

As required by Section 14A of the Exchange Act, under the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Compensation Committee considers the prior year stockholder advisory vote on the compensation of the Named Executive Officers as appropriate for making compensation decisions. At the annual meeting of stockholders held December 3, 2018, 46% percent of the stockholders present and voting on the proposal approved, on an advisory basis, the compensation disclosed in the Company's Proxy Statement for the meeting filed with the Securities and Exchange Commission on October 5, 2018. As a result, the Compensation Committee concluded that the Company's stockholders were not supportive of the Company's executive compensation philosophy, policies and programs and the Compensation Committee will continue to reach out to stockholders regarding compensation matters. The Compensation Committee determined to review such philosophy, policies and programs, with such updates and modifications as appropriate for changing circumstances.

Special Evaluation

Additional equity-based awards may also be granted to executives, as well as other employees, upon commencement of employment, promotions, for special performance recognition or for retention purposes, based on the recommendation of the Chief Executive Officer or Chief Financial Officer. In determining whether to recommend additional grants to an executive, the Chief Executive Officer typically considers the individual's performance and any planned change in functional responsibility.

Elements of Executive Compensation

Total Compensation

Total compensation for our executives consists of three elements: (i) base salary; (ii) incentive cash award based on achieving specific performance targets as measured by revenues, cash flow and other objectives and (iii) equity incentive award, which is also performance based and may be paid out over a future period in the form of stock, restricted stock or stock purchase options. Base salaries are the value upon which both the incentive compensation percentage targets are measured against. For evaluation and comparison of overall compensation of the executives and to assist it in making its compensation decisions, the Compensation Committee reviews an executive compensation summary, which sets forth for each executive: current compensation and current equity ownership holdings as well as the projected value of each and all such compensation elements, including distributions and dividends therefrom. Also included in the summary are comparative performance numbers, specific milestones, strategic objectives, and other elements used to measure each executive's individual performance.

Base Salaries

Base salaries are designed to compensate executives commensurate with their respective level of experience, scope of responsibilities and to reward sustained individual performance and future potential. The goal has been to provide for base salaries that are sufficiently competitive with other similar-sized companies, both regionally and nationally, to attract and retain talented leaders.

Incentive Compensation

Incentive compensation is intended to align compensation with business objectives and performance and enable the Company to attract, retain and reward high quality executive officers whose contributions are critical to both the short and long-term success of the Company. The executives' incentive awards are based upon three key performance metrics: (i) the Company's earnings before interest, taxes, depreciation and amortization (EBITDA); (ii) achievement of agreed-upon strategic and corporate performance goals; and/or (iii) existing Employment Agreement.

The strategic and corporate performance goals are not intended to be a specific agreed-upon goal, but rather a general objective. Management and the board of directors discuss these factors and set objectives that are dynamic and change periodically. In setting these periodic goals, the board of directors discusses with management the nature of the objective and management's proposed method of achieving the goal. These goals change throughout the operational process because of changing dynamics such as economic conditions, current success of marketing, availability of materials, availability of funding and overall momentum toward achieving the goal.

Incentive Plan Compensation

Incentive awards are typically paid out in cash, restricted common stock or option awards. The incentive award targets for the executives are established at the beginning of the year, generally, as a percentage of their base salary and the actual awards are determined in the following year at a board of directors' meetings based on actual Company performance relative to established goals and objectives, as well as on evaluation of the executive's relevant departmental and individual performance during the past year. In many instances the award of restricted common stock and stock options vests over a multi-year term in equal periodic tranches. The award of restricted common stock purchased through options generally, although not in every instance, vests immediately upon exercise of the option and generally has a validity of up to ten years and a per share purchase price of no less than the fair market value of our common stock on the date of grant. The awards are intended to serve as a means of incentive compensation for performance.

Pay Ratio Disclosure Rule

In August 2015, pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd - Frank Act"), the Securities and Exchange Commission ("SEC") adopted a rule requiring annual disclosure of the ratio of the median employee's annual total compensation to the total annual compensation of the principal executive officer ("PEO"). The Company's PEO is Mr. William Clough. The purpose of the new required disclosure is to provide a measure of the equitability of pay within the organization. The Company believes its compensation philosophy and process yield an equitable result and is presenting such information in compliance with the required disclosure as follows:

Median Employee total annual compensation	\$	50,657
Mr. Clough ("PEO") total annual compensation	\$	1,145,165
Ratio of PEO to Median Employee Compensation		23:01

When determining the median employee, we included the following compensation in our calculations:

- Salary or wages
- Bonuses
- Stock awards
- Other compensation including health insurance benefits, disability insurance benefits, life insurance benefits and 401(k) match benefits provided by the Company but excluding health and pension benefits provided by certain governments.

Mr. Clough's compensation can be reviewed in more detail in the Summary Compensation Table and includes the same benefits that were included in the calculation of the median employee's compensation.

We elected to exclude our CUI-Japan sales office from the calculation due to there being less than 5% of the total number of employees there (4 employees). We elected to include 5 contract employees in determining the median employee.

Full and part-time employee compensation for employees that were hired during the year was annualized based on the average compensation they received during the period they were employed. The number of employees was determined as of December 31, 2018 when there were 353 total employees (Excluding CUI-Japan and including 5 contract employees), 101 of which are considered US employees and 252 of which were considered non-US employees.

(IED). Matthew McKenzie is the son of James McKenzie. The convertible seller's note was satisfied in 2010 and the bank note was satisfied in 2012. The remaining seller's note is described below:

- The \$5.3 million note payable to International Electronic Devices, Inc. (IED) (the former CUI stockholders) is associated with the acquisition of CUI Inc. The promissory note is due May 15, 2020 and includes a 5% interest rate per annum, with interest payable monthly and the principal due as a balloon payment at maturity. The note contains a contingent conversion feature, such that in the event of default on the note the holder of the note can, at the holder's option, convert the note principal into common stock at \$0.001 per share. **Annex A:
The CUI Global 2019 Stock Incentive Award Plan.**

**CUI GLOBAL, INC.
CUI 2019 INCENTIVE AWARD PLAN**

**ARTICLE I.
PURPOSE**

The Plan's purpose is to enhance the Company's ability to attract, retain and motivate persons who make (or are expected to make) important contributions to the Company by providing these individuals with equity ownership opportunities. Capitalized terms used in the Plan are defined in Article XI.

**ARTICLE II.
ELIGIBILITY**

Service Providers are eligible to be granted Awards under the Plan, subject to the limitations described herein.

**ARTICLE III.
ADMINISTRATION AND DELEGATION**

3.1 Administration. The Plan is administered by the Administrator. The Administrator has authority to determine which Service Providers receive Awards, grant Awards and set Award terms and conditions, subject to the conditions and limitations in the Plan. The Administrator also has the authority to take all actions and make all determinations under the Plan, to interpret the Plan and Award Agreements and to adopt, amend and repeal Plan administrative rules, guidelines and practices as it deems advisable. The Administrator may correct defects and ambiguities, supply omissions and reconcile inconsistencies in the Plan or any Award as it deems necessary or appropriate to administer the Plan and any Awards. The Administrator's determinations under the Plan are in its sole discretion and will be final and binding on all persons having or claiming any interest in the Plan or any Award.

3.2 Appointment of Committees. To the extent Applicable Laws permit, the Board may delegate any or all of its powers under the Plan to one or more Committees or officers of the Company or any of its Subsidiaries. The Board may abolish any Committee authority under the Plan or re-vest in itself any previously delegated authority at any time.

**ARTICLE IV.
STOCK AVAILABLE FOR AWARDS**

4.1 Number of Shares. Subject to adjustment under Article VIII and the terms of this Article IV, Awards may be made under the Plan covering up to the Overall Share Limit. No Prior Plan Awards may be recycled into this Plan. Prior Plan Awards will remain subject to the terms of the applicable Prior Plan. Shares issued under the Plan may consist of authorized, but unissued Shares, Shares purchased on the open market or treasury Shares.

4.2 Share Recycling. If all or any part of an Award expires, lapses or is terminated, exchanged for cash, surrendered, repurchased, canceled without having been fully exercised or forfeited, in any case, in a manner that results in the Company acquiring Shares covered by the Award at a price not greater than the price (as adjusted to reflect any Equity Restructuring) paid by the Participant for such Shares or not issuing any Shares covered by the Award, the unused Shares covered by the Award will, as applicable, become or again be available for Award grants under the Plan. Further, Shares delivered (either by actual delivery or attestation) to the Company by a Participant to satisfy the applicable exercise or purchase price of an Award and/or to satisfy any applicable tax withholding obligation (including Shares retained by the Company from the Award being exercised or purchased and/or creating the tax obligation) will, as applicable, become or again be available for Award grants under the Plan. The payment of Dividend Equivalents in cash in conjunction with any outstanding Awards shall not count against the Overall Share Limit.

[Table of Contents](#)

4.3 Incentive Stock Option Limitations. Notwithstanding anything to the contrary herein, no more than 5,700,000 Shares may be issued pursuant to the exercise of Incentive Stock Options.

4.4 Substitute Awards. In connection with an entity's merger or consolidation with the Company or the Company's acquisition of an entity's property or stock, the Administrator may grant Awards in substitution for any Options or other stock or stock-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute Awards may be granted on such terms as the Administrator deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the Overall Share Limit (nor shall Shares subject to a Substitute Award be added to the Shares available for Awards under the Plan as provided above), except that Shares acquired by exercise of substitute Incentive Stock Options will count against the maximum number of Shares that may be issued pursuant to the exercise of Incentive Stock Options under the Plan. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan (and Shares subject to such Awards shall not be added to the Shares available for Awards under the Plan as provided above); provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

4.5 Non-Employee Director Compensation. Notwithstanding any provision to the contrary in the Plan, the Administrator may establish compensation for non-employee Directors from time to time, subject to the limitations in the Plan. The Administrator will from time to time determine the terms, conditions and amounts of all such non-employee Director compensation in its discretion and pursuant to the exercise of its business judgment, taking into account such factors, circumstances and considerations as it shall deem relevant from time to time, provided that the sum of any cash compensation, or other compensation, and the value (determined as of the grant date in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, or any successor thereto) of Awards granted to a non-employee Director as compensation for services as a non-employee Director during any fiscal year of the Company may not exceed \$250,000 in the fiscal year of a non-employee Director's service as a non-employee Director. Individuals who agree to become non-employee directors in the future shall not be subject to this limit in connection with inducement Awards as determined by the Administrator. The Administrator may make exceptions to this limit for individual non-employee Directors, as the Administrator may determine in its discretion, provided that the non-employee Director receiving such additional compensation may not participate in the decision to award such compensation or in other contemporaneous compensation decisions involving non-employee Directors. For the avoidance of doubt, any cash compensation paid or Awards granted to an individual for his or her services as a Consultant (other than as a non-employee Director), will not count for purposes of the limitation under this Section 4.5.

**ARTICLE V.
STOCK OPTIONS AND STOCK APPRECIATION RIGHTS**

5.1 **General.** The Administrator may grant Options or Stock Appreciation Rights to Service Providers subject to the limitations in the Plan, including any limitations in the Plan that apply to Incentive Stock Options. The Administrator will determine the number of Shares covered by each Option and Stock Appreciation Right, the exercise price of each Option and Stock Appreciation Right and the conditions and limitations applicable to the exercise of each Option and Stock Appreciation Right. A Stock Appreciation Right will entitle the Participant (or other person entitled to exercise the Stock Appreciation Right) to receive from the Company upon exercise of the exercisable portion of the Stock Appreciation Right an amount determined by multiplying the excess, if any, of the Fair Market Value of one Share on the date of exercise over the exercise price per Share of the Stock Appreciation Right by the number of Shares with respect to which the Stock Appreciation Right is exercised, subject to any limitations of the Plan or that the Administrator may impose and payable in cash, Shares valued at Fair Market Value or a combination of the two as the Administrator may determine or provide in the Award Agreement.

5.2 **Exercise Price.** The Administrator will establish each Option's and Stock Appreciation Right's exercise price and specify the exercise price in the Award Agreement. The exercise price will not be less than 100% of the Fair Market Value on the grant date of the Option or Stock Appreciation Right.

5.3 **Duration.** Each Option or Stock Appreciation Right will be exercisable at such times and as specified in the Award Agreement, provided that the term of an Option or Stock Appreciation Right will not exceed ten (10) years. Notwithstanding the foregoing and unless determined otherwise by the Company, in the event that on the last business day of the term of an Option or Stock Appreciation Right (other than an Incentive Stock Option) (i) the exercise of the Option or Stock Appreciation Right is prohibited by Applicable Law, as determined by the Company, or (ii) Shares may not be purchased or sold by the applicable Participant due to any Company insider trading policy (including blackout periods) or a "lock-up" agreement undertaken in connection with an issuance of securities by the Company, the term of the Option or Stock Appreciation Right shall be extended until the date that is thirty (30) days after the end of the legal prohibition, black-out period or lock-up agreement, as determined by the Company; provided, however, in no event shall the extension last beyond the ten-(10)-year term of the applicable Option or Stock Appreciation Right. Notwithstanding the foregoing, if the Participant, prior to the end of the term of an Option or Stock Appreciation Right, violates the non-competition, non-solicitation, confidentiality or other similar restrictive covenant provisions of any employment contract, confidentiality and nondisclosure agreement or other agreement between the Participant and the Company or any of its Subsidiaries, the right of the Participant and the Participant's transferees to exercise any Option or Stock Appreciation Right issued to the Participant shall terminate immediately upon such violation, unless the Company otherwise determines. In addition, if, prior to the end of the term of an Option or Stock Appreciation Right, the Participant is given notice by the Company or any of its Subsidiaries of the Participant's Termination of Service by the Company or any of its Subsidiaries for Cause, and the effective date of such Termination of Service is subsequent to the date of the delivery of such notice, the right of the Participant and the Participant's transferees to exercise any Option or Stock Appreciation Right issued to the Participant shall be suspended from the time of the delivery of such notice until the earlier of (i) such time as it is determined or otherwise agreed that the Participant's service as a Service Provider will not be terminated for Cause as provided in such notice or (ii) the effective date of the Participant's Termination of Service by the Company or any of its Subsidiaries for Cause (in which case the right of the Participant and the Participant's transferees to exercise any Option or Stock Appreciation Right issued to the Participant will terminate immediately upon the effective date of such Termination of Service).

[Table of Contents](#)

5.4 **Exercise.** Options and Stock Appreciation Rights may be exercised by delivering to the Company a written notice of exercise, in a form the Administrator approves (which may be electronic), signed by the person authorized to exercise the Option or Stock Appreciation Right, together with, as applicable, payment in full (i) as specified in Section 5.5 for the number of Shares for which the Award is exercised and (ii) as specified in Section 9.5 for any applicable taxes. Unless the Administrator otherwise determines, an Option or Stock Appreciation Right may not be exercised for a fraction of a Share.

5.5 **Payment Upon Exercise.** Subject to any Company insider trading policy (including blackout periods) and Applicable Laws, the exercise price of an Option must be paid by:

- (a) cash, wire transfer of immediately available funds or by check payable to the order of the Company, provided that the Company may limit the use of one of the foregoing payment forms if one or more of the payment forms below is permitted;
- (b) if there is a public market for Shares at the time of exercise, unless the Company otherwise determines, (A) delivery (including electronically or telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to pay the exercise price, or (B) the Participant's delivery to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to pay the exercise price; provided that such amount is paid to the Company at such time as may be required by the Administrator;
- (c) to the extent permitted by the Administrator, delivery (either by actual delivery or attestation) of Shares owned by the Participant valued at their Fair Market Value;
- (d) to the extent permitted by the Administrator, surrendering Shares then issuable upon the Option's exercise valued at their Fair Market Value on the exercise date;
- (e) to the extent permitted by the Administrator, delivery of a promissory note or any other property that the Administrator determines is good and valuable consideration; or
- (f) to the extent permitted by the Company, any combination of the above payment forms approved by the Administrator.

ARTICLE VI.

RESTRICTED STOCK; RESTRICTED STOCK UNITS

6.1 **General.** The Administrator may grant Restricted Stock, or the right to purchase Restricted Stock, to any Service Provider, subject to the Company's right to repurchase all or part of such Shares at their issue price or other stated or formula price from the Participant (or to require forfeiture of such Shares) if conditions the Administrator specifies in the Award Agreement are not satisfied before the end of the applicable restriction period or periods that the Administrator establishes for such Award. In addition, the Administrator may grant to Service Providers Restricted Stock Units, which may be subject to vesting and forfeiture conditions during the applicable restriction period or periods, as set forth in an Award Agreement. The Administrator will determine and set forth in the Award Agreement the terms and conditions for each Restricted Stock and Restricted Stock Unit Award, subject to the conditions and limitations contained in the Plan.

6.2 Restricted Stock.

- (a) Dividends. Participants holding Shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such Shares, unless the Administrator provides otherwise in the Award Agreement. In addition, unless the Administrator provides otherwise, if any dividends or distributions are paid in Shares, or consist of a dividend or distribution to holders of Common Stock of property other than an ordinary cash dividend, the Shares or other property will be subject to the same restrictions on transferability and forfeitability as the Shares of Restricted Stock with respect to which they were paid.
- (b) Stock Certificates. The Company may require that the Participant deposit in escrow with the Company (or its designee) any stock certificates issued in respect of Shares of Restricted Stock, together with a stock power endorsed in blank.

6.3 Restricted Stock Units.

- (a) Settlement. The Administrator may provide that settlement of Restricted Stock Units will occur upon or as soon as reasonably practicable after the Restricted Stock Units vest or will instead be deferred, on a mandatory basis or at the Participant's election, in a manner intended to comply with Section 409A.
- (b) Stockholder Rights. A Participant will have no rights of a stockholder with respect to Shares subject to any Restricted Stock Unit unless and until the Shares are delivered in settlement of the Restricted Stock Unit.
- (c) Dividend Equivalents. If the Administrator provides, a grant of Restricted Stock Units may provide a Participant with the right to receive Dividend Equivalents. Dividend Equivalents may be paid currently or credited to an account for the Participant, settled in cash or Shares and subject to the same restrictions on transferability and forfeitability as the Restricted Stock Units with respect to which the Dividend Equivalents are granted and subject to other terms and conditions as set forth in the Award Agreement.

ARTICLE VII.

OTHER STOCK OR CASH BASED AWARDS

Other Stock or Cash Based Awards may be granted to Participants, including Awards entitling Participants to receive Shares to be delivered in the future and including annual or other periodic or long-term cash bonus awards (whether based on specified Performance Criteria or otherwise), in each case subject to any conditions and limitations in the Plan. Such Other Stock or Cash Based Awards will also be available as a payment form in the settlement of other Awards, as standalone payments and as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock or Cash Based Awards may be paid in Shares, cash or other property, as the Administrator determines. Subject to the provisions of the Plan, the Administrator will determine the terms and conditions of each Other Stock or Cash Based Award, including any purchase price, performance goal (which may be based on the Performance Criteria), transfer restrictions, and vesting conditions, which will be set forth in the applicable Award Agreement.

ARTICLE VIII.

ADJUSTMENTS FOR CHANGES IN COMMON STOCK AND CERTAIN OTHER EVENTS

8.1 Equity Restructuring. In connection with any Equity Restructuring, notwithstanding anything to the contrary in this Article VIII, the Administrator will equitably adjust each outstanding Award as it deems appropriate to reflect the Equity Restructuring, which may include adjusting the number and type of securities subject to each outstanding Award and/or the Award's exercise price or grant price (if applicable), granting new Awards to Participants, and making a cash payment to Participants. The adjustments provided under this Section 8.1 will be nondiscretionary and final and binding on the affected Participant and the Company; provided that the Administrator will determine whether an adjustment is equitable.

8.2 **Corporate Transactions.** In the event of any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), reorganization, merger, consolidation, combination, amalgamation, repurchase, recapitalization, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or sale or exchange of Common Stock or other securities of the Company, Change in Control, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, other similar corporate transaction or event, other unusual or nonrecurring transaction or event affecting the Company or its financial statements or any change in any Applicable Laws or accounting principles, the Administrator, on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event (except that action to give effect to a change in Applicable Law or accounting principles may be made within a reasonable period of time after such change) and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to (x) prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Award granted or issued under the Plan, (y) to facilitate such transaction or event or (z) give effect to such changes in Applicable Laws or accounting principles:

- (a) To provide for the cancellation of any such Award in exchange for either an amount of cash or other property with a value equal to the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant's rights under the vested portion of such Award, as applicable; provided that, if the amount that could have been obtained upon the exercise or settlement of the vested portion of such Award or realization of the Participant's rights, in any case, is equal to or less than zero, then the Award may be terminated without payment;
- (b) To provide that such Award shall vest and, to the extent applicable, be exercisable as to all Shares covered thereby, notwithstanding anything to the contrary in the Plan or the provisions of such Award;
- (c) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of Shares and/or applicable exercise or purchase price, in all cases, as determined by the Administrator;
- (d) To make adjustments in the number and type of Shares (or other securities or property) subject to outstanding Awards and/or with respect to which Awards may be granted under the Plan (including, but not limited to, adjustments of the limitations in Article IV hereof on the maximum number and kind of Shares which may be issued) and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards;
- (e) To replace such Award with other rights or property selected by the Administrator; and/or
- (f) To provide that the Award will terminate and cannot vest, be exercised or become payable after the applicable event.

8.3 **Effect of Non-Assumption in a Change in Control.** Notwithstanding the provisions of Section 8.2 above, if a Change in Control occurs and a Participant's Awards are not continued, converted, assumed, or replaced with a substantially similar award by (a) the Company, or (b) a Successor Entity (as defined below) or its parent or subsidiary (an "Assumption"), and provided that the Participant has not had a Termination of Service, then, immediately prior to the Change in Control, such Awards shall become fully vested, exercisable and/or payable, as applicable, and all forfeiture, repurchase and other restrictions on such Awards shall lapse, in which case, such Awards shall be canceled upon the consummation of the Change in Control in exchange for the right to receive the Change in Control consideration payable to other holders of Common Stock (i) which may be on such terms and conditions as apply generally to holders of Common Stock under the Change in Control documents (including, without limitation, any escrow, earn-out or other deferred consideration provisions) or such other terms and conditions as the Administrator may provide, and (ii) determined by reference to the number of Shares subject to such Awards and net of any applicable exercise price; provided that to the extent that any Awards constitute "nonqualified deferred compensation" that may not be paid upon the Change in Control under Section 409A without the imposition of taxes thereon under Section 409A, the timing of such payments shall be governed by the applicable Award Agreement (subject to any deferred consideration provisions applicable under the Change in Control documents); and provided, further, that if the amount to which a Participant would be entitled upon the settlement or exercise of such Award at the time of the Change in Control is equal to or less than zero, then such Award may be terminated without payment. The Administrator shall determine whether an Assumption of an Award has occurred in connection with a Change in Control.

8.4 **Administrative Stand Still.** In the event of any pending stock dividend, stock split, combination or exchange of Shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other extraordinary transaction or change affecting the Shares or the share price of Common Stock, including any Equity Restructuring or any securities offering or other similar transaction, for administrative convenience, the Administrator may refuse to permit the exercise of any Award for up to sixty (60) days before or after such transaction.

8.5 **General.** Except as expressly provided in the Plan or the Administrator's action under the Plan, no Participant will have any rights due to any subdivision or consolidation of Shares of any class, dividend payment, increase or decrease in the number of Shares of any class or dissolution, liquidation, merger, or consolidation of the Company or other corporation. Except as expressly provided with respect to an Equity Restructuring under Section 8.1 above or the Administrator's action under the Plan, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, will affect, and no adjustment will be made regarding, the number of Shares subject to an Award or the Award's grant or exercise price. The existence of the Plan, any Award Agreements and the Awards granted hereunder will not affect or restrict in any way the Company's right or power to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, (ii) any merger, consolidation dissolution or liquidation of the Company or sale of Company assets or (iii) any sale or issuance of securities, including securities with rights superior to those of the Shares or securities convertible into or exchangeable for Shares. The Administrator may treat Participants and Awards (or portions thereof) differently under this Article VIII.

ARTICLE IX.

GENERAL PROVISIONS APPLICABLE TO AWARDS

9.1 **Transferability.** Except as the Administrator may determine or provide in an Award Agreement or otherwise for Awards other than Incentive Stock Options, Awards may not be sold, assigned, transferred, pledged or otherwise encumbered, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, subject to the Administrator's consent, pursuant to a domestic relations order, and, during the life of the Participant, will be exercisable only by the Participant. References to a Participant, to the extent relevant in the context, will include references to a Participant's authorized transferee that the Administrator specifically approves.

Table of Contents

9.2 **Documentation.** Each Award will be evidenced in an Award Agreement, which may be written or electronic, as the Administrator determines. Each Award may contain terms and conditions in addition to those set forth in the Plan.

9.3 **Discretion.** Except as the Plan otherwise provides, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award to a Participant need not be identical, and the Administrator need not treat Participants or Awards (or portions thereof) uniformly.

9.4 **Termination of Status.** The Administrator will determine how the disability, death, retirement, authorized leave of absence or any other change or purported change in a Participant's Service Provider status affects an Award and the extent to which, and the period during which, the Participant, the Participant's legal representative, conservator, guardian or Designated Beneficiary may exercise rights under the Award, if applicable.

9.5 **Withholding.** Each Participant must pay the Company, or make provision satisfactory to the Administrator for payment of, any taxes required by law to be withheld in connection with such Participant's Awards by the date of the event creating the tax liability. The Company may deduct an amount sufficient to satisfy such tax obligations based on the applicable statutory withholding rates (or such other rate as may be determined by the Company after considering any accounting consequences or costs) from any payment of any kind otherwise due to a Participant. In the absence of a contrary determination by the Company (or, with respect to withholding pursuant to clause (ii) below with respect to Awards held by individuals subject to Section 16 of the Exchange Act, a contrary determination by the Administrator), all tax withholding obligations will be calculated based on the minimum applicable statutory withholding rates. Subject to any Company insider trading policy (including blackout periods), Participants may satisfy such tax obligations (i) in cash, by wire transfer of immediately available funds, by check made payable to the order of the Company, provided that the Company may limit the use of the foregoing payment forms if one or more of the payment forms below is permitted, (ii) to the extent permitted by the Administrator, in whole or in part by delivery of Shares, including Shares delivered by attestation and Shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery, (iii) if there is a public market for Shares at the time the tax obligations are satisfied, unless the Company otherwise determines, (A) delivery (including electronically or telephonically to the extent permitted by the Company) of an irrevocable and unconditional undertaking by a broker acceptable to the Company to deliver promptly to the Company sufficient funds to satisfy the tax obligations, or (B) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company to deliver promptly to the Company cash or a check sufficient to satisfy the tax withholding; provided that such amount is paid to the Company at such time as may be required by the Administrator, or (iv) to the extent permitted by the Company, any combination of the foregoing payment forms approved by the Administrator. Notwithstanding any other provision of the Plan, the number of Shares which may be so delivered or retained pursuant to clause (ii) of the immediately preceding sentence shall be limited to the number of Shares which have a Fair Market Value on the date of delivery or retention no greater than the aggregate amount of such liabilities based on the maximum individual statutory tax rate in the applicable jurisdiction at the time of such withholding (or such other rate as may be required to avoid the liability classification of the applicable award under generally accepted accounting principles in the United States of America); provided, however, to the extent such Shares were acquired by Participant from the Company as compensation, the Shares must have been held for the minimum period required by applicable accounting rules to avoid a charge to the Company's earnings for financial reporting purposes; provided, further, that, any such Shares delivered or retained shall be rounded up to the nearest whole Share to the extent rounding up to the nearest whole Share does not result in the liability classification of the applicable Award under generally accepted accounting principles in the United States of America. If any tax withholding obligation will be satisfied under clause (ii) above by the Company's retention of Shares from the Award creating the tax obligation and there is a public market for Shares at the time the tax obligation is satisfied, the Company may elect to instruct any brokerage firm determined acceptable to the Company for such purpose to sell on the applicable Participant's behalf some or all of the Shares retained and to remit the proceeds of the sale to the Company or its designee, and each Participant's acceptance of an Award under the Plan will constitute the Participant's authorization to the Company and instruction and authorization to such brokerage firm to complete the transactions described in this sentence.

9.6 Amendment of Award; Repricing. The Administrator may amend, modify or terminate any outstanding Award, including by substituting another Award of the same or a different type, changing the exercise or settlement date, and converting an Incentive Stock Option to a Non-Qualified Stock Option or an Option to a SAR, RSV or Restricted Stock. The Participant's consent to such action will be required unless (i) the action, taking into account any related action, does not materially and adversely affect the Participant's rights under the Award, or (ii) the change is permitted under Article VIII or pursuant to Section 10.6. Notwithstanding the foregoing or anything in the Plan to the contrary, the Administrator may, without the approval of the stockholders of the Company, reduce the exercise price per share of outstanding Options or Stock Appreciation Rights or cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards or Options or Stock Appreciation Rights with an exercise price per share that is less than the exercise price per share of the original Options or Stock Appreciation Rights.

9.7 Conditions on Delivery of Stock. The Company will not be obligated to deliver any Shares under the Plan or remove restrictions from Shares previously delivered under the Plan until (i) all Award conditions have been met or removed to the Company's satisfaction, (ii) as determined by the Company, all other legal matters regarding the issuance and delivery of such Shares have been satisfied, including any applicable securities laws and stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Administrator deems necessary or appropriate to satisfy any Applicable Laws. The Company's inability to obtain authority from any regulatory body having jurisdiction, which the Administrator determines is necessary to the lawful issuance and sale of any securities, will relieve the Company of any liability for failing to issue or sell such Shares as to which such requisite authority has not been obtained.

9.8 Acceleration. The Administrator may at any time provide that any Award will become immediately vested and fully or partially exercisable, free of some or all restrictions or conditions, or otherwise fully or partially realizable.

9.9 **Additional Terms of Incentive Stock Options.** The Administrator may grant Incentive Stock Options only to employees of the Company, any of its present or future parent or subsidiary corporations, as defined in Sections 424(e) or (f) of the Code, respectively, and any other entities the employees of which are eligible to receive Incentive Stock Options under the Code. If an Incentive Stock Option is granted to a Greater Than 10% Stockholder, the exercise price will not be less than 110% of the Fair Market Value on the Option's grant date, and the term of the Option will not exceed five (5) years. All Incentive Stock Options will be subject to and construed consistently with Section 422 of the Code. By accepting an Incentive Stock Option, the Participant agrees to give prompt notice to the Company of dispositions or other transfers (other than in connection with a Change in Control) of Shares acquired under the Option made within (i) two years from the grant date of the Option or (ii) one year after the transfer of such Shares to the Participant, specifying the date of the disposition or other transfer and the amount the Participant realized, in cash, other property, assumption of indebtedness or other consideration, in such disposition or other transfer. Neither the Company nor the Administrator will be liable to a Participant, or any other party, if an Incentive Stock Option fails or ceases to qualify as an "incentive stock option" under Section 422 of the Code. Any Incentive Stock Option or portion thereof that fails to qualify as an "incentive stock option" under Section 422 of the Code for any reason, including becoming exercisable with respect to Shares having a Fair Market Value exceeding the \$100,000 limitation under Treasury Regulation Section 1.422-4, will be a Non-Qualified Stock Option.

**ARTICLE X.
MISCELLANEOUS**

10.1 **No Right to Employment or Other Status.** No person will have any claim or right to be granted an Award, and the grant of an Award will not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan or any Award, except as expressly provided in an Award Agreement.

10.2 **No Rights as Stockholder; Certificates.** Subject to the Award Agreement, no Participant or Designated Beneficiary will have any rights as a stockholder with respect to any Shares to be distributed under an Award until becoming the record holder of such Shares. Notwithstanding any other provision of the Plan, unless the Administrator otherwise determines or Applicable Laws require, the Company will not be required to deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares may be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator). The Company may place legends on stock certificates issued under the Plan that the Administrator deems necessary or appropriate to comply with Applicable Laws.

10.3 **Effective Date and Term of Plan.** The Plan was approved by the Board on August 9, 2019. The Plan shall be effective (the "Effective Date") on December 4, 2019, provided that this Plan is approved by a majority of the Company's stockholders at a duly held meeting prior to such Effective Date and occurring within twelve (12) months following the date of the Board approved Plan. If the Plan is not approved by the Company's stockholders within the foregoing time frame, the Plan will not become effective. The Plan shall remain in effect until the tenth (10th) anniversary of the Effective Date, but Awards previously granted may extend beyond that date in accordance with the Plan. The Plan will be submitted for approval of the Company's stockholders within twelve (12) months following the date the Board approved the Plan.

10.4 **Amendment of Plan.** The Administrator may amend, suspend or terminate the Plan at any time; provided that no amendment, other than an increase to the Overall Share Limit, may materially and adversely affect any Award outstanding at the time of such amendment without the affected Participant's consent. No Awards may be granted under the Plan during any suspension period or after the Plan's termination. Awards outstanding at the time of any Plan suspension or termination will continue to be governed by the Plan and the Award Agreement, as in effect before such suspension or termination. The Board will obtain stockholder approval of any Plan amendment to the extent necessary to comply with Applicable Laws.

10.5 Provisions for Foreign Participants. The Administrator may modify Awards granted to Participants who are foreign nationals or employed outside the United States or establish subplans or procedures under the Plan to address differences in laws, rules, regulations or customs of such foreign jurisdictions with respect to tax, securities, currency, employee benefit or other matters.

10.6 Section 409A.

- (a) General. The Company intends that all Awards be structured to comply with, or be exempt from, Section 409A, such that no adverse tax consequences, interest, or penalties under Section 409A apply. Notwithstanding anything in the Plan or any Award Agreement to the contrary, the Administrator may, without a Participant's consent, amend this Plan or Awards, adopt policies and procedures, or take any other actions (including amendments, policies, procedures and retroactive actions) as are necessary or appropriate to preserve the intended tax treatment of Awards, including any such actions intended to (A) exempt this Plan or any Award from Section 409A, or (B) comply with Section 409A, including regulations, guidance, compliance programs and other interpretative authority that may be issued after an Award's grant date. The Company makes no representations or warranties as to an Award's tax treatment under Section 409A or otherwise. The Company will have no obligation under this Section 10.6 or otherwise to avoid the taxes, penalties or interest under Section 409A with respect to any Award and will have no liability to any Participant or any other person if any Award, compensation or other benefits under the Plan are determined to constitute noncompliant "nonqualified deferred compensation" subject to taxes, penalties or interest under Section 409A.
- (b) Separation from Service. If an Award constitutes "nonqualified deferred compensation" under Section 409A, any payment or settlement of such Award upon a termination of a Participant's Service Provider relationship will, to the extent necessary to avoid taxes under Section 409A, be made only upon the Participant's "separation from service" (within the meaning of Section 409A), whether such "separation from service" occurs upon or after the termination of the Participant's Service Provider relationship. For purposes of this Plan or any Award Agreement relating to any such payments or benefits, references to a "termination," "termination of employment" or like terms means a "separation from service."
- (c) Payments to Specified Employees. Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of "nonqualified deferred compensation" required to be made under an Award to a "specified employee" (as defined under Section 409A and as the Administrator determines) due to his or her "separation from service" will, to the extent necessary to avoid taxes under Section 409A(a)(2)(B)(i) of the Code, be delayed for the six- (6)-month period immediately following such "separation from service" (or, if earlier, until the specified Employee's death) and will instead be paid (as set forth in the Award Agreement) on the day immediately following such six- (6)month period or as soon as administratively practicable thereafter (without interest). Any payments of "nonqualified deferred compensation" under such Award payable more than six (6) months following the Participant's "separation from service" will be paid at the time or times the payments are otherwise scheduled to be made.

10.7 Limitations on Liability. Notwithstanding any other provisions of the Plan, no individual acting as a director, officer, other Employee or agent of the Company or any Subsidiary will be liable to any Participant, former Participant, spouse, beneficiary, or any other person for any claim, loss, liability, or expense incurred in connection with the Plan or any Award, and such individual will not be personally liable with respect to the Plan because of any contract or other instrument executed in his or her capacity as an Administrator, director, officer, other Employee or agent of the Company or any Subsidiary. The Company will indemnify and hold harmless each director, officer, other Employee and agent of the Company or any Subsidiary that has been or will be granted or delegated any duty or power relating to the Plan's administration or interpretation, against any cost or expense (including attorneys' fees) or liability (including any sum paid in settlement of a claim with the Administrator's approval) arising from any act or omission concerning this Plan unless arising from such person's own fraud or bad faith.

10.9 Data Privacy. As a condition for receiving any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this section by and among the Company and its Subsidiaries and affiliates exclusively for implementing, administering and managing the Participant's participation in the Plan. The Company and its Subsidiaries and affiliates may hold certain personal information about a Participant, including the Participant's name, address and telephone number; birthdate; social security, insurance number or other identification number; salary; nationality; job title(s); any Shares held in the Company or its Subsidiaries and affiliates; and Award details, to implement, manage and administer the Plan and Awards (the "Data"). The Company and its Subsidiaries and affiliates may transfer the Data amongst themselves as necessary to implement, administer and manage a Participant's participation in the Plan, and the Company and its Subsidiaries and affiliates may transfer the Data to third parties assisting the Company with Plan implementation, administration and management. These recipients may be located in the Participant's country, or elsewhere, and the Participant's country may have different data privacy laws and protections than the recipients' country. By accepting an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, to implement, administer and manage the Participant's participation in the Plan, including any required Data transfer to a broker or other third party with whom the Company or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as necessary to implement, administer, and manage the Participant's participation in the Plan. A Participant may, at any time, view the Data that the Company holds regarding such Participant, request additional information about the storage and processing of the Data regarding such Participant, recommend any necessary corrections to the Data regarding the Participant or refuse or withdraw the consents in this Section 10.9 in writing, without cost, by contacting the local human resources representative. The Company may cancel Participant's ability to participate in the Plan and, in the Administrator's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws the consents in this Section 10.9. For more information on the consequences of refusing or withdrawing consent, Participants may contact their local human resources representative.

10.10 Severability. If any portion of the Plan or any action taken under it is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of the Plan, and the Plan will be construed and enforced as if the illegal or invalid provisions had been excluded, and the illegal or invalid action will be null and void.

10.11 Governing Documents. If any contradiction occurs between the Plan and any Award Agreement or other written agreement between a Participant and the Company (or any Subsidiary) that the Administrator has approved, the Plan will govern, unless it is expressly specified in such Award Agreement or other written document that a specific provision of the Plan will not apply.

[Table of Contents](#)

10.12 Governing Law. The Plan and all Awards will be governed by and interpreted in accordance with the laws of the State of Colorado, disregarding any state's choice-of-law principles requiring the application of a jurisdiction's laws other than the State of Colorado.

10.13 Claw-back Provisions. All Awards (including, without limitation, any proceeds, gains or other economic benefit actually or constructively received by Participant upon any receipt or exercise of any Award or upon the receipt or resale of any Shares underlying the Award) shall be subject to the provisions of any claw-back policy implemented by the Company, including, without limitation, any claw-back policy adopted to comply with Applicable Laws (including the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder) as and to the extent set forth in such claw-back policy or the Award Agreement.

10.14 Titles and Headings. The titles and headings in the Plan are for convenience of reference only and, if any conflict, the Plan's text, rather than such titles or headings, will control.

10.15 Conformity to Securities Laws. Participant acknowledges that the Plan is intended to conform to the extent necessary with Applicable Laws. Notwithstanding anything herein to the contrary, the Plan and all Awards will be administered only in conformance with Applicable Laws. To the extent Applicable Laws permit, the Plan and all Award Agreements will be deemed amended as necessary to conform to Applicable Laws.

10.16 Relationship to Other Benefits. No payment under the Plan will be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except as expressly provided in writing in such other plan or an agreement thereunder.

10.17 Broker-Assisted Sales. In the event of a broker-assisted sale of Shares in connection with the payment of amounts owed by a Participant under or with respect to the Plan or Awards, including amounts to be paid under the final sentence of Section 9.5: (a) any Shares to be sold through the broker assisted sale will be sold on the day the payment first becomes due, or as soon thereafter as practicable; (b) such Shares may be sold as part of a block trade with other Participants in the Plan in which all participants receive an average price; (c) the applicable Participant will be responsible for all broker's fees and other costs of sale, and by accepting an Award, each Participant agrees to indemnify and hold the Company harmless from any losses, costs, damages, or expenses relating to any such sale; (d) to the extent the Company or its designee receives proceeds of such sale that exceed the amount owed, the Company will pay such excess in cash to the applicable Participant as soon as reasonably practicable; (e) the Company and its designees are under no obligation to arrange for such sale at any particular price; and (f) in the event the proceeds of such sale are insufficient to satisfy the Participant's applicable obligation, the Participant may be required to pay immediately upon demand to the Company or its designee an amount in cash sufficient to satisfy any remaining portion of the Participant's obligation.
